

ASHLEY R. SHAW, PHD, MPH

ASSISTANT PROFESSOR

University of Texas Health Science Center at Houston
UTHealth Houston School of Public Health
1200 Pressler Street, Houston TX 77030

Phone: (713) 500-9943
Email: ashley.r.shaw@uth.tmc.edu
Website: [linkedin.com/in/ashleyrshaw](https://www.linkedin.com/in/ashleyrshaw)

EDUCATION:

January 2021 **Postdoctoral Fellowship**
Department of Neurology
Alzheimer's Disease Research Center
University of Kansas Medical Center, KS

July 2017 **PhD., Nursing**
Sinclair School of Nursing
University of Missouri, Columbia, MO

May 2013 **MPH, Health Promotion and Policy**
School of Health Professions University
of Missouri, Columbia, MO

May 2011 **B.S., Nutrition and Exercise Physiology**
Department of Nutrition and Exercise Physiology
University of Missouri, Columbia

RESEARCH INTERESTS:

- Community-engaged research to advance health equity and promote brain health in aging populations
- Nutrition and food-as-medicine strategies to support cognitive aging and chronic disease prevention
- Faith-based and academic partnerships to co-develop scalable public health interventions
- Implementation and dissemination of culturally tailored lifestyle interventions for Alzheimer's disease and related dementias (ADRD) prevention
- Health needs assessments and implementation strategies to reduce disparities in underserved communities

ACADEMIC AND PROFESSIONAL EXPERIENCE:

2025-present Assistant Professor, School of Public Health, Department of Health Promotion and Behavioral Science, Center for Health Equity, University of Texas Health Science Center - Houston, Houston, TX

2021-2025 Research Assistant Professor, Department of Neurology, University of Kansas Medical Center, Kansas City, KS

2019-2021 Postdoctoral Fellow, Alzheimer's Disease Center, University of Kansas Medical Center, Kansas City, KS

2018-2019 Associate Researcher, Center for Public Partnerships and Research, University of Kansas, Lawrence, KS

PROFESSIONAL AFFILIATIONS:

Brain Health Equity Collaborative, 2025 - present
African American Health Coalition, 2025 - present
American Heart Association, 2023 - present
Black in Neuro, 2022- present
Alzheimer's Association, 2019-present
Gerontological Society of America, 2019-present
Alzheimer's Disease Disparities Engagement Network, 2019-present

Minority Women in Research Network, 2019-present
American Public Health Association, 2016-present
Black Doctoral Network, 2016-present
National Postdoctoral Association, 2019-2021

PROFESSIONAL ACTIVITIES:

Scriber for Think Tank Session – Patient and Community Engagement, Stroke Transitions of Care and Post-Stroke Care Conference, 2025
Review editor for the Alzheimer's & Dementia: The Journal of the Alzheimer's Association, 2024 Reviewer of applicants for the KU ADRC Brain Health Training Program, 2024
Community Advisory Board Member, KUMC Center for African American Health, 2024
Cabinet member for the University of Kansas Medical Center Diversity, Equity, and Inclusion, 2024 Reviewer editor for Brain and Behavior Journal, 2024
Review editor of abstracts for the Alzheimer’s Association International Conference, 2023-2024
Grant reviewer for American Heart Association Food is Medicine Initiative, 2023
Organizer, Aging with Grace African American Appreciation Breakfast, 2023
Review editor for Health Promotion Practice Journal, 2023
Review editor of abstracts for the Gerontological Society of America Conference, 2022-2023
Review editor of abstracts for the Clinical Trials of Alzheimer’s Disease Conference, 2022
Review editor for Journal of Prevention of Alzheimer's Disease, 2022
Review editor for Violence Against Women Journal, 2021
Review editor for BMC Geriatrics Journal, 2021
Review editor of abstracts submitted for the American Public Health Association Conference, 2021
Planning committee member for Alzheimer’s Association Midwestern Town Hall Meetings, 2021-present
Planning committee member for the University of Kansas Alzheimer’s Disease Center staff workshop, 2020

HONORS/AWARDS:

NIH/ National Institute on Minority Health Disparities Loan Repayment Awardee, 2020, 2023, and 2025
Black Health Care Coalition Advancing Health Equity for the Future Awardee, 2024 National Institute of Health Early Career Reviewer Program Awardee, 2023
Research Centers Collaborative Network Scholars Program in Multidisciplinary Research, 2023 Black Men’s Brain Health Program Scholar, 2022
Program to Increase Diversity Among Individuals Engaged in Cardiovascular Health-Related Research Fellow, 2021
Kansas Dementia and Aging Research Training Program Awardee, 2021 Biomedical Research Trainee Program Awardee, 2021
Diversity, Equity, and Inclusion Awardee, 2020
Institute on Methods and Protocols for Advancement of Clinical Trials in ADRD Fellow, 2020 Michigan Center for Urban African American Aging (MCUAAAR) Summer Workshop Awardee, 2019 Delta Omega Honor Society Awardee, 2014
School of Health Professions Mentorship Awardee, 2012 Thurgood Marshall Awardee, 2011
Multicultural Center Diversity Awardee, 2010

CURRENTLY FUNDED GRANTS:

American Heart Association	Sharrief (PI)	07/01/2025 – 06/31/2026
Remote BP Monitoring Evidence-Based Nutrition Interventions to Promote Brain Health Equity & Wellness after Stroke		
Role: Support Personnel		
NINDS R01NS140001	Sharrief (PI)	\$617,687 12/15/2024-11/30/2025
Brain Health Equity Research Collaborative		
Main Goals: 1) build infrastructure for community-engaged research on neurologic health disparities through the Brain Health Equity Collaborative; 2) identify barriers to research inclusion and pilot a Brain Equity Curriculum to support equitable clinical trial participation among Black and Hispanic communities.		

Role: Support Personnel

COMPLETED GRANTS:

NIA U01AG082350	Johnson (PI)	\$30,800,018	9/15/2023-08/31/2028
National Institute on Aging ADRC Consortium for Clarity in ADRD Research Through Imaging Main Goals: 1) develop validated tools for detecting Multiple Etiology Dementia; 2) conduct a longitudinal imaging study to characterize ethnoculturally diverse participants from ADRCs, focusing on the progression of AD, vascular disease, and other common proteinopathies. Role: Outreach and Recruitment Leader			
K01 AG072034	Shaw (PI)	\$514,080	4/15/2021-3/31/2025
National Institute on Aging Brain Healthy Soul Food Diet Intervention Among Older African Americans Major Goals: 1) develop an adapted brain healthy soul food diet intervention; 2) pilot test an adapted brain- healthy soul food diet intervention; 3) explore the effect of the adapted brain-healthy soul food diet intervention on cognitive function as preliminary data to design a RCT. Role: PI			
R01AG070036	Vidoni (PI)	\$1,375,262	4/01/2021-3/31/2026
NIH/National Institute on Aging University of Kansas Medical Center Differential Effects of Exercise Modality on Cognition and Brain in Older Adults Major Goals: 1) test the combined and independent effects of aerobic and resistance training on cognition, brain structure, and physical function 2) explore underlying biological mechanisms that may link exercise with brain health. Role: Recruitment specialist			
P30 AG072973	Shaw (PI)	\$50,000	7/10/2023-6/30/2024
National Institute on Aging Effect of the MIND+SOUL Diet Intervention on Biomarkers Related to Alzheimer's Disease Major Goals: 1) Assess response of cardiometabolic biomarkers for AD to the MIND+SOUL diet intervention; 2) Examine how adherence to the MIND+SOUL diet modulates changes in cardiometabolic biomarkers of AD. Role: PI (sub-awardee)			
R24AG063724-01A1	Burns (PI)	\$1,384,834	6/1/2020-3/31/2024
NIH/National Institute on Aging Aligning PCPs and Patients with Alzheimer's Research Efforts: MyAlliance for Cognitive Health Major Goals: MyAlliance is a sustainable and reproducible strategy for engaging a diverse population through 1) a PCP Network to improve dementia care through a financially sustainable Chronic Care Management program; 2) a Patient Network (MyAlliance Research Registry, derived from patients in the PCP network); 3) a Community Network of diverse stakeholders delivering robust outreach and education. Role: Recruitment specialist			
5R13AG071313-02	Shaw (PI)	\$2,000	2/01/2022-1/31/2023
National Institute on Aging Using Focus Groups to Explore Older Black Men's Perception of Dietary Interventions Major Goals: examine the cultural context under which dietary interventions are perceived among older Midwestern Black men. Role: PI (sub-contract)			
5R25HL105446-11	Shaw (PI)	\$12,700	11/01/2021-10/31/2022
NIH/National Heart, Lung, and Blood Institute A Virtual Photovoice Study of Older African Americans Perceptions of Neurovascular Clinical Trials			

Major Goals: 1) identify how older Midwestern African Americans characterize neurovascular clinical trials; 2) describe how older African Americans experience observational neurovascular clinical trials; 3) identify culturally salient recommendations for neurovascular clinical trial design to inform the design of future neurovascular RCT and advance diversity in neurovascular clinical trials.

Role: PI (sub-contract)

Biomedical Research Training Program Shaw (PI) \$13,000 1/01/2021-12/31/2021

University of Kansas Medical Center

Brain Healthy Soul Food Diet Intervention Among Older African Americans

Major Goals: Identify and understand knowledge and attitudes that influence dietary practices among older African Americans using a community-based approach.

Role: PI (sub-contract)

3P30AG035982-09S1 Swerdlow (PI) \$106,924 8/15/2019-6/30/2021

NIH/National Institute on Aging

Alzheimer's Disease Prevention Among African Americans Through Culturally Tailored Education and Outreach

Major Goals: 1) advance AD and brain aging research; 2) expand dementia education to African American stakeholders; 3) enhance the inclusion of African Americans in the Clinical Cohort, prevention trials, and treatment trials.

Role: Postdoctoral Fellow (Diversity Supplement)

Prime Health Foundation Shaw (PI) \$14,000 1/01/2020-12/31/2020

Alzheimer's Disease Prevention Among African Americans Through Culturally Tailored Education and Outreach

Major Goals: 1) revise and rigorously test Aging with Grace, an AD risk reduction curriculum; 2) disseminate culturally specific dementia education in the African American community in partnership with New Bethel Church Community Development Corporation in the African American community.

5UL1TR002366-03 Castro (PI) \$4,023,802 7/01/2019-6/30/2020

Frontiers: University of Kansas Clinical and Translational Science Institute Factors

Influencing Brain Healthy Diets

Major Goals: 1) use focus group groups to understand how African Americans conceptualize brain healthy diets; 2) assess the feasibility of capturing biomarkers of nutritional health and dietary behaviors among African Americans.

Role: Postdoctoral Fellow

5K01NR014409-03 Enriquez (PI) \$91,9341 6/02/2013-5/31/2017

NIH/National Institute of Nursing Research

Peers Keep it Real: Reaching 100% Adherence to HIV Treatment

Major Goals: Address non-adherence to HIV treatment in a Midwestern population using a novel community- partnered peer-lead approach

Role: GRA

1R15NR012940-01 Popejoy (PI) \$450,661 8/17/2011-7/31/2014

NIH/National Institute of Nursing Research

Care Coordination for Older Adults: Process, Outcomes, Cost

Major Goals: 1) identify care coordination intervention activities and dose; 2) develop intervention profiles for future use in research and practice.

Role: GRA

McNair Scholars Davis (PI) 9/01/2009-5/31/2010 University of Missouri-Columbia

Validation of DC Skinfold Prediction Equation

Major Goals: Determine if DEXA criterion equation accurately predicts body fatness in men. Role: McNair Scholar Researcher

TEACHING ACTIVITIES:

Undergraduate and Graduate Students

Research Internship Mentor (Summer) at the University of Kansas Alzheimer's Disease Center, 2020-2022
Graduate Teaching Assistant at the University of Missouri-Columbia School of Health Professions HLTH SCI
3300 Public Health Principles, Practice, and Education (3 credit hours), 2012-2015

Community education:

I am regularly invited to deliver educational presentations in diverse communities. These presentations are aimed to educate communities about the latest approaches to Alzheimer's disease prevention. Additionally, the presentations serve as a means to raise awareness about ongoing research opportunities centered on Alzheimer's disease and to support recruitment efforts for clinical research studies.

Date	Presentation	Location
October 2024	MIND+SOUL	KU Alzheimer's Disease Research Center, Kansas City, KS
October 2024	Healthy Brain Awareness	United Sisters Symposium, Los Angeles, CA
April 2023	Aging with Grace	MyAlliance for Brain Health
January 2023	Aging with Grace	Women Moving Forward Ministries
April 2022	Aging with Grace	Midwest Conference Women's Missionary Society
June 2020 - present	Aging with Grace	Zoom: Video Conferencing
November 2019	Aging with Grace	Swope Parkway Church of Christ, Kansas City, MO
August 2019	Aging with Grace	Brush Creek Community Center, Kansas City, MO
August 2019	Smart Aging	YMCA Linwood, Kansas City, MO
August 2019	Aging with Grace	St. James United Methodist Church Renaissance Campus, Kansas City, MO
July 2019	Aging with Grace	Macedonia Baptist Church, Kansas City, MO
June 2019	Aging with Grace	St. James United Methodist Church, Kansas City, MO
March 2019	Aging with Grace	Grace Baptist Church, Kansas City, MO
