

Curriculum Vitae

Steven H. Kelder, M.P.H., Ph.D.

Professor, Division of Epidemiology, Human Genetics, and Environmental Sciences
Beth Toby Grossman Distinguished Professor in Spirituality and Healing

OFFICE

The University of Texas Health Science Center (UTHealth) at Houston School of Public Health
Austin Campus
1836 San Jacinto Blvd, Suite 598.3
Office: 512-391-2511; Fax: 512-482-6185; Mobile 713-444-1470
Work e-mail: Steven.H.Kelder@uth.tmc.edu
Personal e-mail: Steven.H.Kelder@gmail.com

EDUCATION

Ph.D. in Cardiovascular Behavioral Epidemiology, 1988–1992, University of Minnesota, Dissertation Topic: *Youth Cardiovascular Disease Risk and Prevention: The Minnesota Heart Health Project and the Class of 1989 Study*

Masters of Public Health, 1986–1988, Community Health Education, University of Minnesota, Masters Topic: *Development and Pilot Test of the Stay Quit Smoking Cessation Program*

Bachelor of Science, Major in Marketing; Minor in Economics, Northern Illinois University, 1977–1981

CURRENT POSITIONS

- Primary appointment in the Division of Epidemiology, UTSPH
- Secondary appointment in the Division of Health Promotion/Behavioral Sciences, UTSPH
- Director Austin MD-MPH PharmD-MPH programs
- Faculty Research Associate, Population Health Research Center, The University of Texas at Austin

FACULTY STATUS at UTSPH

- Associate Regional Dean, Austin Regional Campus, 2013-2018
- Beth Toby Grossman Distinguished Professor in Spirituality and Healing, 2007-current
- Professor of Epidemiology, Human Genetics, Environmental Sciences UTSPH, 2006–current
- Associate Professor of Epidemiology, Human Genetics, Environmental Sciences UTSPH, 1997–2005
- Assistant Professor of Behavioral Science, UTSPH 1992–1996

EXPERT WITNESS

Phillips & Lytle, 2010-2015
Keller & Rohrback, 2021- 2023
Scott & Scott, 2022

FORMER POSITIONS

Pre-Doctoral Fellow, Division of Epidemiology, University of Minnesota, NHLBI Research Training Program, “Behavioral Epidemiology of CVD,” 1988–1992

Research Assistant, Division of Epidemiology, University of Minnesota; 1986–1992

- Data Analyst/Manager: *Minnesota Heart Health Program*
- Data Analyst: *School Smoking Policy Project*
- Data Analyst/Health Educator: *Healthy Worker Project*
- Data Analyst: *Tobacco Access Study*

- Data Collection Supervisor: *Survey of Activity, Fitness and Exercise*
- High School Alcohol Prevention Curriculum Writer: *Project Northland*

Sergeant E5, 75 Delta, 1986-1989, Minnesota Army National Guard,

Telephone Interviewer, Division of Epidemiology, University of Minnesota; 1984–1986 Minnesota Heart Health Program

Regional Sales Account Manager, Johnson and Johnson, Ethicon Inc.; 1983–1984, Twin Cities Division, Minneapolis MN

Sales Representative, Xerox Corporation; 1981–1983, Chicago Branch, Chicago IL

MAJOR PROFESSIONAL INTERESTS

- Epidemiology of child and adolescent health: incidence, prevalence, and determinants
- Design and analysis of epidemiological studies and health promotion interventions
- Youth interventions: tobacco, e-cigarette, and alcohol use prevention, nutrition and exercise health promotion, oral health promotion, maternal and child health climate change adaptation, and violence prevention
- Translational and implementation science

TEACHING (all at UTSPH)

- PH 2998 Epidemiology of Child and Adolescent Health (2001, 2003, 2008, 2009, 2016-2023)
- PH 2762 Environmental Epidemiology (2023, 2024)
- PH 2999 Gun Violence and Public Health in the United States (2022)
- PH 2999 Community Oriented Quality Improvement Protocol (2018-2022)
- PH 2999 Climate Change and Public Health (2020)
- PH 2710 Advanced Methods in Epidemiology III (2010-2018; 2021)
- PH 2770 NIH Proposal Development (2010-2016)
- PH 2720 Proposal Writing in Epidemiology (2003–2009)
- PH 2610 Fundamentals of Epidemiology (2014, 2015)
- PH 2610 Introduction to Epidemiology (1997-1999, 2009- 2011)
- PH 1110 Social and Behavioral Aspects to Health (1999, 2000)
- PH 3240 Public Health Nutrition Practice (1997, 2002–2005)
- PH 1498 Obesity and Food Behavior (1997)
- PH 7498 Violence Prevention: A Public Health Perspective (1995)
- PH 7490 Advanced Seminar in Health Promotion (1992–1996)
- PH 1120 Evaluation of Public Health Programs (1994)

INTELLECTUAL PROPERTY *Coordinated Approach to Child Health* (CATCH)

- CATCH Early Childhood Nutrition and Physical Activity Pre-K Curriculum
- CATCH Nutrition and Physical Activity Grades K-2 Classroom Curriculum
- CATCH Kids Club Grades K-2nd Classroom Curriculum and PE Program
- CATCH Kids Club Grades 3-5ⁿ Classroom Curriculum and PE Program
- CATCH Kids Club Grades 3-5ⁿ Teacher Training
- CATCH Healthy Smiles Oral Health Grades K-2nd Classroom Curriculum
- CATCH Healthy Smiles Oral Health Grades K-2nd Physical Education Curriculum
- CATCH Healthy Smiles Oral Health Grades K-2nd Parent Awareness Videos (4)
- CATCH Nutrition and Physical Activity Grades 3-5th Coordination Guide
- CATCH Nutrition and Physical Activity Grades 3-5th Teacher Training

- CATCH Nutrition and Physical Activity Grades 6-8th Classroom Curriculum
- CATCH Nutrition and Physical Activity Grades 6-8th Physical Education Activity Box
- CATCH Nutrition and Physical Activity Grades 6-8th Coordination Guide
- CATCH Nutrition and Physical Activity Grades 6-8th Teacher Training
- CATCH My Breath 6th Grade School Vaping Prevention Classroom Curriculum
- CATCH My Breath 7/8th Grade School Vaping Prevention Classroom Curriculum
- CATCH My Breath 9/10th Grade School Vaping Prevention Classroom Curriculum
- CATCH Breath Parent Toolkit 6th-10th Grade Vaping Awareness
- CATCH Breath Parent 6th-10th Grade Vaping Prevention Awareness Videos (5)
- CATCH My Breath 6th-10th Grade School Vaping Prevention Teacher Training

FUNDED RESEARCH (Current)

1. **Principle Investigator.** *Middle School Cluster RCT to Evaluate E-cigarette Prevention Program: CATCH My Breath.* National Institutes of Health. \$2,025,880 total direct costs. 05/08/2019 – 04/30/2024.
2. **Co- Investigator.** *CATCH Healthy Smiles: Planning and feasibility of an elementary school-based child oral health RCT.* National Institutes of Health. \$4,030,023 total direct costs. 05/08/2020 – 04/30/2026.
3. **Co-Investigator.** *Promoting Healthy Children in a Healthy State.* Michael & Susan Dell Foundation. \$2,971,583. 08/01/2018 – 07/31/2022.
4. **Principle Investigator.** *Addressing Social Determinants of Health in Texas through Integrated Clinical and Social Services.* Episcopal Health Services. \$84,000. 05/08/2019 – 04/30/2024.
5. **Principle Investigator.** *TXDOT Drive Like a Texas Traffic Safety Program.* \$225,000 direct costs. 01/30/2024-12/31/2025.

FUNDED RESEARCH (Completed)

6. **Co-Investigator.** *Implied Modified Risk Statements as Predictors of Flavored Little Cigar and Cigarillo.* National Institutes of Health. \$1,031,570. 09/14/2018- 08/31/2021
7. **Co-Investigator.** *CATCH Healthy Smiles: Planning and Feasibility of an Elementary School-based Child Oral Health RCT.* National Institutes of Health. \$150,000 direct costs. 04/01/2017– 03/31/2018.
8. **Principle Investigator.** *Texas Healthy Families Project.* TX HHSC/UTHealth Tyler. \$28,985 direct costs. 03/01/2019 – 08/31/2020.
9. **Principal Investigator.** *Improving Community Health Care Delivery by Sendero Health Plans.* The University of Texas Health Science Center Tyler – University of Texas System. \$10,200 direct costs. 10/1/2016 – 08/31/2018.
10. **Co- Investigator.** *UT System Population Health Strategic Plan and Texas Health Improvement Network (THIN).* The University of Texas Health Science Center Tyler – University of Texas System. \$300,000 direct costs. 5/1/2016 – 8/31/2017.
11. **Co- Investigator.** *Texas Collaborative for Healthy Mothers and Babies.* The University of Texas Health Science Center Tyler – University of Texas System \$104,339.87 direct costs. 1/1/2016 – 8/31/2018.
12. **Co-Principal Investigator.** *Working Toward Healthy Children in a Healthy World.* Michael & Susan Dell Center for Healthy Living. Funded by Michael & Susan Dell Foundation: \$4,518,512 direct costs. 08/31/14-07/31/18.
13. **Mentor.** *UTSPH / GVSU Multimodal MCH Training Program.* Health Resources and Services Administration. \$829,628.00 direct costs. 6/1/2014 – 5/31/2019.
14. **Mentor.** *Behavioral Science Education-Cancer Prevention and Control.* National Institutes of Health. \$2,467,579.00 direct costs. 9/1/2013 - 8/31/2018.
15. **Co-Principal Investigator.** *Central Texas CATCH Middle School Project.* Michael & Susan Dell Foundation. Co-PI: Andrew Springer. \$2,817,981 direct costs.
16. **Principal Investigator.** *National CATCH Training.* To train school in the implementation of CATCH nationwide. Flaghouse, Inc: Direct costs: \$250,000 per year, 9/05 - 9/2013.
17. **Principal Investigator.** *Tobacco Center of Regulatory Science (TCORS) on Youth and Young Adults.* National Institutes of Health. \$15,688,011.00 direct costs. 9/19/2013 - 8/31/2018.
18. **Co-Investigator.** *2016 Surgeon General's Call to Action on E-Cigarettes.* Centers for Disease Control and Prevention. \$197,801.00 direct costs. 9/30/2014 – 7/29/2016.

19. **Co- Investigator.** *Systems Approach to Obesity Prevention in Underserved Children in Texas.* Centers for Disease Control and Prevention, ACA Childhood Obesity grant. \$6,275,000.00. 9/30/11- 9/29/15.
20. **Principal Investigator.** *The South Texas Parent Diabetes Prevention Trial (STPDPT).* PI Overall grant: Joe McCormick. \$6,000,000 overall direct; National Institute for Minority Health and Health Disparities. Direct costs for STDPT: \$844,890. 2/08-1/13
21. **Co- Investigator,** Community Outreach Core of the *Clinical and Translational Science Awards* (Center for Clinical and Translational Science (CCTS-CTSA) (1U54RR023417-01). PI Overall grant: Frank Arnett. \$36,000,000 overall; \$750,000 for core. 9/30/06-9/29/11.
22. **Principal Investigator.** *Statewide Dissemination of CATCH Middle School.* RGK Foundation. \$645,064 direct costs. 10/1/11 – 9/30/12.
23. **Principal Investigator.** *Dissemination of CATCH Middle School in Dallas Independent School District.* RGK Foundation. \$467,627 direct costs. 10/1/12 – 9/30/13.
24. **Co-Investigator.** *EXPORT – CVD Core of the Hispanic Health Research Center in the Lower Rio Grande Valley.* National Institutes of Health: National Center on Minority Health and Health Disparities. \$750,000 total costs for CVD core. 2/1/08 – 1/31/13.
25. **Co-Principal Investigator,** *Michael & Susan Dell Center for Healthy Living.* Michael & Susan Dell Foundation. PI: Deanna Hoelscher. \$3,740,000 direct costs. 9/1/10-8/31/14.
26. **Principal Investigator,** *CATCH Middle School.* Michael & Susan Dell Center for Healthy Living. Michael & Susan Dell Foundation. \$2,816,000 direct costs. 12/08-11/12.
27. **Co- Investigator,** *Marathon Kids Evaluation.* Michael & Susan Dell Foundation. \$355,349 direct costs. 4/1/10 – 3/30/13
28. **Co-Principal Investigator,** *Prevention of Child Obesity: Disseminating the CATCH Physical Activity and Healthy Eating Program in Travis County Elementary Schools.* Michael & Susan Dell Foundation. PI: Guy Parcel. \$2,600,000 direct costs. 9/30/06-9/29/10.
29. **Co-Principal Investigator,** *Michael & Susan Dell Center for Advancement of Healthy Living.* Michael & Susan Dell Foundation. PI: Guy Parcel. \$2,000,000 direct costs. 9/30/06-9/29/10.
30. **Lead grant writer,** A Joint Proposal for Development of Research and Education Programs in Nursing and Public Health. The UT Austin School of Nursing (SON) and UT Houston School of Public Health (SPH) request LERR funds to support the modifications to the SON building to facilitate joint health related social and behavioral research and education programs in Nursing and Public Health. UT System, LEER, \$3,700,000. Estimated construction completion: 2009.
31. **Principal Investigator,** *Evaluation of Marathon Kids,* Michael & Susan Dell Foundation. \$200,000 direct costs. 12/30/07-7/29/09
32. **Co-Principal Investigator.** *SIP 11-2005 Adapting a Cardiovascular Health Promotion School-Based Nutrition Intervention for Obesity Prevention and Control – CATCH Nutrition Plus.* The objective of this project is to adapt, revise and augment the CATCH curriculum to update the nutrition messages to reflect current research and expert opinion on obesity prevention strategies among children. Centers for Disease Control and Prevention. Direct costs:\$429,164. 9/30/05-9/29/08.
33. **Co-Principal Investigator.** *SIP 15-2005 Development of a “Ready to Use” Plan to Evaluate Readily or Commercially Available Nutrition and Physical Activity Programs in New School Settings.* The objective of this project is to develop a user-friendly module of evaluation instruments, protocols, and procedures that could be implemented by individual schools to determine the impact effects and process evaluation of the CATCH Program. Centers for Disease Control and Prevention. Direct costs: \$319,284. 9/30/05-9/29/08.
34. **Principal Investigator.** *SIP 18-2005 Intervention Component to Reduce Television Viewing for Incorporation into an Evidence-Based Multi-Component School-Based Nutrition and Physical Activity Intervention.* The proposed study aims to develop and evaluate a new component to CATCH that will instruct families and children to reduce TV viewing and electronic entertainment use. Centers for Disease Control and Prevention. Direct costs: \$446,382. 9/30/05-9/29/08.
35. **Principal Investigator.** *Diffusion of CATCH in Harris County.* To implement the CATCH elementary school health program in all 440 Harris County elementary schools over a two year period. Harris County Department of Education: \$450,000; HCDOE funded by a \$2.4 million grant by the Houston Endowment. 9/30/05-9/29/08

36. **Co- Investigator.** *School Physical Activity and Nutrition (SPAN) Survey, Phase III.* Surveillance of body mass index (BMI) of school children in the 4th, 8th and 11th grades in Texas. PI: Deanna Hoelscher, PhD, Texas Department of State Health Services Division of Public Health Nutrition. 15 Sept 2004–31 Aug 2005, Direct costs: \$418,901.
37. **Principal Investigator.** The Impact of Senate Bill 20 on Middle School Children’s Level of Physical Activity. To assess the effects to Texas legislation on school-aged children, school programs and policies. Robert Wood Johnson Foundation. Overall grant \$450,000 for 3 years.
38. **Co-Principal Investigator,** *Assessment of Relationship between Physical Activity and Academic Achievement:* To quantify relationship between PA and achievement using ecologic and experimental designs. PI: Nancy Murray, Centers for Disease Control and Prevention: \$900,000.
39. **Principal Investigator.** *The Impact of Senate Bill 19 on Elementary School Children’s Level of Physical Activity.* To assess the effects to Texas legislation on school aged children, school programs and policies. Robert Wood Johnson Foundation. Overall grant \$450,000 for 3 years.
40. **Principal Investigator.** *CVD Core of the Hispanic Health Research Center in the Lower Rio Grande Valley:* Submitted to NIH Center for Minority Health Disparities. I prepared the Cardiovascular Disease Core activities for the larger P20 center grant. The objective for the CVD Core is to develop expertise in South Texas for youth CVD and obesity prevention. We intend to do so by exporting currently funded child and adolescent health projects of faculty from the Houston School of Public Health into the South Texas area and Brownsville a regional SPH campus. \$750,000 total costs were allocated to the CVD core portion of the grant. Overall grant \$7,500,000 for 5 years. Feb 2000 –Jan 2008
41. **Co-Principal Investigator,** *Healthy Passages: A Cohort Study of Adolescent Health:* Examine developmental pathways of health risk and protective behaviors and health outcomes in a combined cohort across three sites of African-American, Hispanic, and Caucasian youth. PI: Guy S. Parcel, PhD, UT HSC Houston. Also, chair of Design and Analysis Committee for the study. Centers for Disease Control and Prevention: 30 Sept 1999–29 Sept 2006: \$4,000,000.
42. **Principal Investigator,** *Diffusion of the Child and Adolescent Trial for Cardiovascular Health (CATCH):* continue dissemination of CATCH across Texas elementary schools (demonstration project). Texas Department of Health: Oct 2000–Aug 2005: \$350,000/yr.
43. **Principal Investigator** of subcontract. *Smoking Cessation via Physical Feedback:* quasi experimental design to test effects of spirometry and internet intervention in Junior College students. National Cancer Institute, Oct 2004-Sept 2007, subcontract, \$18,000/yr.
44. **Co-Investigator.** *School Physical Activity and Nutrition (SPAN) Survey, Phase III.* Surveillance of body mass index (BMI) of school children in the 4th, 8th and 11th grades in Texas. PI: Deanna Hoelscher, PhD, Texas Department of Health Innovations Grants 15 Sept 2004–31 Aug 2005, \$350,000.
45. **Principal Investigator,** *Diffusion of the Child and Adolescent Trial for Cardiovascular Health (CATCH):* continue dissemination of CATCH across Texas elementary schools (demonstration project). Funding part of the Texas Regional Prevention Center. Centers for Disease Control and Prevention: Oct 1998–Aug 2004: @\$80,000/yr.
46. **Co-Principal Investigator,** *Effective Coordinated School Health Programs:* Conceptualize, develop, and conduct curriculum modules and training protocols for secondary education on the CDC model of coordinated school health. PI: Nancy G. Murray, DrPH. Centers for Disease Control and Prevention: 30 Sept 1999–29 Sept 2004: \$74,558/yr
47. **Principal Investigator, subcontract,** *Teen Smoking Prevention and Cessation Via CD-ROM:* design, develop, and evaluate the effects of a school-based interactive CD-ROM smoking prevention and cessation intervention. National Cancer Institute: July 2000–July 2004: \$707,295 UT-H SPH subcontract (total project \$1,905,793; PI: Alex Prokhorov, MD, PhD, M.D. Anderson)
48. **Co-Investigator,** *IMPACT: A study to develop and evaluate a school-based nutrition and physical activity program to enhance bone health in adolescent girls.* PI: Deanna Hoelscher, Rd PhD. National Institute of Child Health and Human Diseases: 1 Sept 1999–31 July 2003: \$1,763,626
49. **Co-Principal Investigator,** *The Relation of Diet to Serum Homocysteine Levels:* Examine the relation of diet to serum homocysteine in an ethnically and geographically diverse cohort of adolescents who previously participated in the CATCH study. PI: Deanna Hoelscher, PhD, UT HSC Houston. National Heart, Lung and Blood Institute: 15 Sept 2000–31 Dec 2002: \$440,816/yr
50. **Co-Investigator.** *School Physical Activity and Nutrition (SPAN) Survey, Phase II.* A study to develop a surveillance system to monitor secular trends in body mass index (BMI) of school children in the 4th, 8th and 11th grades within ethnic and geographic subpopulations in Texas. PI: Deanna Hoelscher, PhD, Texas Department of Health Innovations Grants 15 Sept 2000–31 Aug 2001, \$450,000/yr

51. **Co-Principal Investigator**, *Texas Partnership on Tobacco Surveillance & Evaluation*: Trace and promote implementation of the various tobacco control interventions under an umbrella research plan built on the best practices from CDC and other states. PI: Nell H. Gottlieb, PhD, UT Austin. Centers for Disease Control and Prevention: 30 Sept 1999–29 Sept 2002: \$56,429/yr
52. **Co-Principal Investigator**, *Prevention Centers Tobacco Network*: To allow organization and ongoing linkage of expertise on tobacco control research among representatives of the Texas Prevention Research Center. PI: Nell H. Gottlieb, PhD, UT Austin. Centers for Disease Control and Prevention: 30 Sept 1999–29 Sept 2002: \$6,689/yr
53. **Principal Investigator**, *From 3-6 p.m.: Unexplored Opportunities for Elementary School Health Promotion in the After-School Daycare Setting* (2 of 2: El Paso): develop and evaluate an after-school physical education program modeled after the CATCH project, with pilot testing in El Paso, Texas. Paso del Norte Health Foundation (El Paso): May 1999–April 2000: \$120,063
54. **Principal Investigator**, *From 3-6 p.m.: Unexplored Opportunities for Elementary School Health Promotion in the After-School Daycare Setting* (1 of 2: Austin): develop and evaluate an after-school physical education program modeled after the CATCH project, with pilot testing in Austin. International Life Sciences Institute Foundation: July 1999–Jan 2001: \$164,742
55. **Co-Investigator**, *Parent Assisted Smoking Cessation*: develop and pilot test interventions, aimed to parents, for teenage smoking cessation. PI: Nancy G. Murray, DrPH, UT HSC Houston. National Cancer Institute: Oct 1999–Sept 2001: \$146,713
56. **Co-Principal Investigator**, *CATCH: A Study of Institutionalization - Texas Field Center*: determine factors related to adoption, implementation, and institutionalization of the CATCH school-based cardiovascular disease prevention program. PI: Deanna Hoelscher, PhD, UT HSC Houston. National Heart Lung and Blood Institute: 1998–2000: \$609,000
57. **Principal Investigator**, *The Effect of Policy on Youth Tobacco Use*: use qualitative methods to understand how school and community policies affect youth smoking. Centers for Disease Control: 1997-1998: \$40,000
58. **Principal Investigator**, *Recruitment of Youth into Tobacco Cessation Programs*: develop stage-based recruitment strategies for youth tobacco cessation programs based on the Transtheoretical Model. Centers for Disease Control: 1997–1998: \$98,000
59. **Principal Investigator**, *The Diffusion of The Child and Adolescent Trial for Cardiovascular Program (CATCH) in Texas*: measure the broad diffusion of CATCH, an elementary-school CVD prevention program, in Texas. Centers for Disease Control, 1997–1998, \$38,000
60. **Co-Principal Investigator**, *Students and Parents, or Peace and Harmony*: Develop and evaluate a school-based violence prevention project. PI: Alfred McAlister, PhD, UT HSC Houston. Carnegie Corporation: 1996–1998: \$150,000
61. **Co-Principal Investigator**, *Mass Media and Adolescent Smoking*: use qualitative methods to determine the impact of advertising on youth smoking and to develop counter-advertising strategies. PI: Laura McCormick, PhD. Centers for Disease Control: 1996–1997: \$75,000
62. **Principal Investigator** (Texas site), *The Child and Adolescent Trial for Cardiovascular Health, Phase 3 - Tracking Study*: four-year continuation project: determine the longevity of effects through 8th grade of the original 3rd–5th grade intervention. National Heart Lung and Blood Institute: 1995-1999: \$8,000,000
63. **Co-Investigator**: *School-based Nutrition Monitoring*: develop a national youth nutrition surveillance system. PI: Deanna Hoelscher, PhD, UT HSC Houston. Centers for Disease Control and Prevention: 1994–1997: \$300,000
64. **Principal Investigator**, *Gender and Ethnic Differences in Adolescent Smoking* using qualitative methods, determine the cultural and intrapersonal forces that inhibit smoking in African American youth and promote smoking in White and Hispanic youth. Centers for Disease Control: 1995–1996: \$75,000
65. **Principal Investigator**, *Students for Peace Project*: develop and evaluate the effects of a school-based violence prevention project. Centers for Disease Control and Prevention: 1993–1996: \$900,000
66. **Principal Investigator**, *The Students for Health Year 2000 Project*: Demonstration project to determine the feasibility of implementing a K-12 comprehensive school health education program. Centers for Disease Control and Prevention (through the Southwest Regional Prevention Center): 1988–1995: \$500,000
67. **Principal Investigator**: *Tri-Ethnic Variations in Adolescent Smoking*: A secondary analysis of ethnic adolescent smoking. Centers for Disease Control and Prevention (through the Southwest Regional Prevention Center): 1993–1994: \$10,000.

68. **Co-Principal Investigator** (Texas site), *The Child and Adolescent Trial for Cardiovascular Health, Phase 2*: seven-year, multi-center trial of a school-based cardiovascular disease prevention project. PI: Guy S. Parcel, PhD, UT HSC Houston. National Heart, Lung and Blood Institute: 1987–1995: \$21,000,000

PROFESSIONAL ORGANIZATION MEMBERSHIPS (past and current)

- American Heart Association
- American Association for Physical Activity, Recreation and Dance
- American Public Health Association
- American School Health Association
- American Dietetic Association
- Society for Behavioral Medicine
- Society for Epidemiologic Research
- Society for Nutrition Education
- Texas Association for Physical Activity, Recreation and Dance
- American College of Epidemiology

PROFESSIONAL COMMITTEE MEMBERSHIPS AND ADVISORY BOARDS (selected)

- Board Chairman (founding), CATCH Global Foundation, 2014 – 2022
- Board Member, CATCH Global Foundation, 2022- current
- Senior Scientific Editor, USDHHS, CDC Surgeon General Report on youth e-cigarettes, 2015-2017
- Panel Member of Accelerating Progress in Obesity, Institute of Medicine, 2010–2012
- Board Member, Children Optimal Health, 2008–current
- Research Chair, Children Optimal Health, 2008–2012
- Board Member, Active Life Movement (formerly Youth Interactive), 2007– 2019
- Member, St. David Foundation Program Planning Committee, 2007–2008
- Member, Medical & Scientific Committee for AHA Texas Affiliate, 2004-08
- Member of Texas Education Agency Coordinated School Health Committee, 2003–2007
- Member of Texas Department of Health Taskforce on Obesity, 2003–2007
- Member of the Behavior Change Expert Panel for the White House Office of National Drug Control Policy’s National Youth Anti-Drug Media Campaign, 1998–2004
- Member of CDC Cardiovascular Disease Advisory Panel, 2002–2004
- Member NCI review panel for evaluation of 5-a-Day program, 2003
- Advisor to the Center for Advanced Study in Behavioral Sciences (regarding adolescent epidemiology), Stanford, 2000–2001
- Judge for the 1995 Awards for Excellence in Texas School Health, 1995–2000
- Panelist at National Heart, Lung and Blood Institute Cardiovascular Health Promotion Project (CHPP) workshop on the future of cardiovascular disease prevention for youth, Bethesda RI, 1995
- Evaluation consultant for Harris County Department of Education and Houston Bar Association “Peer Mediation in the Schools” violence prevention project, 1995
- Evaluation consultant for Houston Independent School District “Safe Schools” violence prevention project, 1995
- Evaluation consultant for Houston Bar Association “Mediation in Hospitals” conflict resolution project, 1995
- Expert on smoking prevention strategies for “Smoke-Free Generation 2000 project,” sponsored by American Lung Association, American Cancer Association, American Heart Association, Washington DC

GRANT REVIEW PANELS

- National Cancer Institute, ad hoc reviewer, 2024 (2x)

- NIH, Community Influences on Healthy Behavior, standing NIH study section, 2013- 2018
- National Institute for Mental Health, 2005
- National Cancer Institute: 1997, 1999, 2003, 2004 (2x), 2005 (2x)

- American Journal of Preventive Medicine

FELLOWSHIPS, HONORS & INTERNATIONAL RECOGNITION (selected)

- Invited Speaker, New York Academy of Science, Feb 2021
- Invited Speaker, American Lung Association, April 2021
- Invited Speaker, Canadian Lung Foundation, Jan 2021
- Invited speaker, Nicotine Expert Panel Meeting, NCCDPHP/CDC, September 2020.
- NIH Study Section, Community Influences on Health Behavior Study Section, Center for Scientific Review, NIH, 2013-2017
- Invited guest and award recipient, Weight of the Nation 2012 Pioneering Innovation Award, Weight of the Nation 2012 Conference. Centers for Disease Control and Prevention, Washington, D.C., 2012
- Invited speaker, CATCH and Evidence-Based Interventions, Research Programme on Child and Adolescent Health, National Institute of Public Health, University of S. Denmark, Copenhagen, 2012
- Panel member, Theoretical Approaches in Program Planning, Texas Society for Public Health Education (TSOPHE) Fall Conference, 2011
- Panel member, CATCH and Evidence-Base Programming, The Future of Community Interventions: Evidence-Based Programming and Funding Conference, 2011
- Legislative Testimony, Senate Finance Committee, Senator Lucio's Soda Tax Bill, Austin, TX, 2011
- Invited Physical Activity Expert Panel Member, Chronic Disease Prevention Blueprint Initiative, sponsored by Cancer Care Ontario and Public Health Ontario, Ontario, Canada, 2011
- Invited participant to the NICHD Vision Workshop on Behavior Growing Up Healthy: Developmental Theory to Models to Interventions, 2011.
- Invited speaker, Legislative briefing on "The Texas Obesity Policy Portfolio: Evidence-Based Directions for Obesity Prevention and Control," 2007
- Invited speaker and recipient of US Secretary of Health Innovation in Prevention Award at the National Prevention Summit: Prevention, Preparedness, and Promotion, 2006
- Invited interview on Discovery Health Channel documentary on child obesity, 2005.
- Invited interview on ABC national health news, 2005
- BioTexas Summit, Texas Healthcare, and Bioscience Institute. Invited guest panelist: Best Practices and Exemplars of Collaborative Health Research, 2005
- Institute of Medicine. Invited guest panelist to determine evidence-based obesity prevention recommendations, 2005
- Research Fellow, Centers for Disease Control and Prevention Foundation, 1997–2004. Dr. Kelder was the lead author for CDC to develop the School Health Index, a school-based nutrition, physical activity, tobacco, injury, and violence program implementation assessment tool. Over 30 US states, five countries, and thousands of schools have implemented this self-assessment tool
- Invited speaker, Copenhagen: Invited keynote speaker, Nordic Conference on Cancer and Health, *Effective healthy eating and physical activity school health program*, Copenhagen, November 2004
- Invited speaker, Chihuahua: Invited keynote speaker at 2nd Congreso Internacional de "Actividad Física Y Docencia," *Physical activity and children*, Chihuahua, Mexico

- Invited speaker, Oslo: Changing Adolescent Food Habits: Developing, Evaluating and Disseminating Effective Nutrition Education Programs
- Invited speaker at the First Research Seminar on Adolescent Nutrition and Health: Interventions that Work. The Institute for Nutrition Research, University of Oslo, August 27, 2002
- Invited speaker, Chihuahua: Dissemination of CATCH in Texas elementary schools. Invited speaker at 44th Actividad Fisica Education y Salud. Chihuahua, Mexico: April, 2001
- Invited proposal review, Canada: Michael Smith Foundation for Health Research (Canada-based Foundation), 2003
- Invited proposal review, Norway: Research Council of Norway, 2004
- Excellence in Scholarship Award at the University of Texas Health Science Center at Houston, 1994–2004. For excellence in scholarship, including research and community service activities
- Outstanding contributions: Texas Association for Health, Physical Education, Recreation and Dance, for outstanding contributions to the state association and leadership. December 2000
- Grand Marshall, University of Texas Health Science Center at Houston, School of Public Health, Spring 1997 Graduation. Elected honor by the graduating 1997 class
- Special recognition Citation Poster and Citation Paper at The Society for Behavioral Medicine, Annual Meeting in New York, 1992, 1993
- Pre-Doctoral Fellow, National Heart Lung and Blood Institute Research Training Program; The Behavioral Aspects of Cardiovascular Disease, 1988–1992
- Leonard M. Schuman, Excellence in Public Health Award, 1990. For outstanding contributions as a graduate student in Public Health at the University of Minnesota

INSTITUTIONAL ACTIVITY UTSPH

Associate Regional Dean, Austin Campus (2013-2018)
 Faculty Chair, UTSPH Faculty Council (2009-2010, 2019-2020)
 Faculty Chair-elect, UTSPH Faculty Council (2008-2009, 2017-2018)
 Austin MD-MPH Dual Degree program director (2008-2022)
 Co-Director (founding), Michael & Susan Dell Center for Healthy Living (2005-2023)
 UTSPH IT committee (2017-2022)
 Chair, Dallas Epidemiology and Health Promotion faculty search (2017-2019)
 Member, San Antonio Epidemiology faculty search committee (2017-2018)
 Member, SPH Faculty Council (2007–2010)
 Member, Division of Epidemiology Leadership Council (2007–2011)
 Member of Austin faculty search committee, multiple positions (2005–2010)
 Acting Director, Center for Health Promotion and Prevention Research (2000-2001)
 Director, Center for Health Promotion and Prevention Research (2002–2006)
 Member, UTHSC, Conflict of interest committee (2004–2007)
 Associate Director of Design and Analysis, CHPPR (1997–2003)
 Chair, Biometry faculty search committee, Health Promotion emphasis (2004–2005)
 Member, Biometry faculty search committee (2004–2005)
 Member, Brownsville Health Promotion Division faculty search committee (2004)
 Member, Epidemiology faculty search committee (2000–2001)
 Director of Outreach Education (1997–2000)
 Convener, Health Promotion/Health Education Module (1996–1997)
 Chair, Behavioral Science faculty search for quantitative methodologist (2002)
 Member, UT-H SACS- Technology and Content Team (1997–2000)
 Member, UT-H Learning and Technology Team (1997–2000)
 Member, UT-H Information and Technology Strategic Group (1997–2000)

Member, SPH Distance Education Task Force (1997–2000)
Member, Behavioral Science faculty search committee for qualitative methods (1997)
Member, School of Public Health Faculty Policy Committee (1996–1997)
Member, School of Public Health Faculty Affairs Committee (1996–2000)
Member, Dallas faculty search committee, multiple positions (1996–1997)
Convener, Non-Tenure-Track Faculty (1994–1997)
Member, CDC Prevention Research Center (Currently TPRC, 1992–2002)

INVITED LECTURES AND PRESENTATIONS (selected)

1. Davis C, Springer AE, Kelder SH, Grayless M, Case K, Van Dusen D, Craft M. Sociodemographic differences in e-cigarette susceptibility and use among middle school students in Central Texas. Poster presentation at St. David's CHPR Annual Conference: Health Disparities in the Precision Health Era Across the Lifespan, Austin, TX, February 21, 2018.
2. Davis C, Grayless M, **Kelder SH**. CATCH My Breath Youth E-cigarette Prevention Program. Poster presentation at the 2017 Texas Public Health Association Annual Education Conference, Ft Worth, TX, March 27, 2017.
3. **Kelder SH**, Ballard B. Effective use of social media for advocacy. Workshop presented at 10th Annual Southern Obesity Summit, November 14, 2016.
4. **Moderator**, Community health education: Empowering patients to effectively navigate healthcare systems. 2016 IT'S TIME Texas Summit, August 1, 2016.
5. **Invited speaker**, E-cigarette use among youth and young adults. Texas Department of State Health Services (DSHS) Grand Rounds, May 4, 2016, Austin, TX.
6. **Panel member**. Central Texas Health Equity Policy Council Training, October 28, 2015, Austin, TX.
7. **Kelder SH**. Connecting the healthcare and school systems to improve student and school health. Oral presentation at 2015 IT'S TIME Texas Summit, June 16, 2015, Austin, TX.
8. **Kelder SH**. The future of school health: Collaboration and collective action. Oral presentation at IT'S TIME Texas Summit 2015, June 16, 2015, Austin, TX.
9. **Kelder SH**. The impact of student health on academic achievement: A case study from one of the largest school districts in the U.S. Oral presentation at 2015 National Schools Board Association (NSBA) Annual Meeting, March 23, 2015, Nashville, TN.
10. **Kelder SH**. Primary prevention and clinical practice are two sides of the same coin. Oral presentation at 2015 Association for Community Health Improvement (ACHI) National Conference, March 5, 2015, Dallas, TX.
11. Carey FR, Ranjit N, Hoelscher DM, **Kelder SH**. Weight loss behaviors among overweight and obese children. Poster presentation at the 2015 Texas Public Health Association Annual Education Conference, February 23-25, 2015, Austin, TX.
12. Cha EM*, Ranjit N, Springer AE, **Kelder SH**, Hoelscher DM. Demographic and home food environment correlates of energy drink consumption among middle school students in Central Texas. Poster presentation at the 2015 Texas Public Health Association Annual Education Conference, February 23-25, 2015, Austin, TX.
13. **Invited speaker**, Institute of Medicine Roundtable on Population Health Improvement, December 4, 2014, New York.
14. **Invited speaker**, Saint Alphonsus Health System Healthcare Roundtable, Health Education 2.0: Educating Children of the 21st Century, Boise, ID, March 17-18, 2014.
15. Hoelscher DM & **Kelder SH**. CATCHing the Leading Health Indicators. Presented at the 2014 American College of Preventive Medicine Conference, New Orleans, February 22, 2014.
16. **Invited speaker**, MD Anderson Cancer Prevention and Control Grand Rounds, CATCH: Promoting the Adoption of Healthy Behaviors, Houston, TX, December 19, 2013.
17. **Invited speaker**, MD Anderson Cancer Prevention and Control Grand Rounds, Accelerating Progress in Obesity Prevention: Solving the Weight of the Nation, Houston, TX, December 19, 2013.
18. **Invited keynote speaker**, 13th Annual Conference on Eliminating Health Disparities, Working with Schools for Obesity Prevention: The CATCH Program, Jackson State University, Jackson MS, October 23-24, 2013.
19. **Invited speaker**, JHU/J&J CHC Workshop, Mobilizing Schools for Childhood Obesity Prevention, Baltimore, MD, October 6, 2013.
20. **Keynote speaker**, Lake Louise, Banff, Alberta, Canada, September 30, 2013.
21. **Invited keynote speaker**, American Heart Association, CEO Heart Walk Luncheon, Obesity: Medical and Health Impacts, Austin, TX, April 25, 2013.
22. **Invited keynote speaker**, University of North Texas, Fit Worth Community Initiative, Austin, TX, April 7, 2013.

23. **Invited speaker**, University of North Texas Health Science Center, Framing the Issue: The Need for Collective Impact, Ft. Worth, TX, April 4, 2013.
24. **Invited speaker**, Public Health Ontario, Texas CORD: A Systems Approach to Accelerating Progress in Obesity Prevention and Treatment, Toronto, March 3, 2013.
25. **Invited speaker**, Healthy Living Matters, Community Walk, and Talk: Childhood Obesity Policy Opportunities in 2013. Houston, TX, January 29, 2013.
26. **Invited speaker**, Texas School Health Association, Planning the Future of School-Based Obesity Prevention and Treatment in Texas, San Marcos, TX, January 25, 2013.
27. **Invited speaker**, Seventh Biennial Scientific Symposium: How School Environments Affect the Health and Educational Performance of Students, Accelerating Progress in Obesity Prevention: Student health and obesity prevention programs back by science—hosted by Dell Children’s Medical Center, Austin, TX, October 26, 2012.
28. Hoelscher DM and **Kelder SH**. CATCH Kids Club: Coordinated Approach To Child Health. Presented at the 6th Annual Southern Obesity Summit, Charlotte, North Carolina: October 15, 2012.
29. **Invited lecturer**, Relationship of Physical Activity to Academic Achievement. Texas A&M Department of Health and Kinesiology Distinguished Lecture Series. Texas A&M University, 2012.
30. **Invited speaker**, Childhood Obesity One-Day Conference, National Association of Pediatric Nurse Practitioners, and the Childhood Obesity Special Interest Group. San Antonio, Texas, 2012.
31. **Invited speaker**, Chronic Disease Prevention Blueprint CQCO Signature Event. Toronto, Canada, 2011.
32. **Invited panelist**, The Future of Community Interventions: Evidence-Based Programming and Funding Conference. Arlington, TX, 2011.
33. **Invited speaker**, Children at Risk’s 82nd Texas Legislative Session, Understanding the Impact of Childhood Obesity on Children Dallas. TX, 2011.
34. **Invited speaker**, Economics of School Health Workshop, National Coordinating Committee on School Health and Safety, *Evidence-Based School Health Program: CATCH*. Washington, D.C., 2011.
35. **Invited speaker**, University of Texas Nutritional Sciences Graduate Student Program Summer Series, *Accelerating Progress on Obesity Prevention*. University of Texas at Austin, 2011.
36. **Invited speaker**, Austin Independent School District, Classroom Presentation on Epidemiology, Austin, TX, 2011.
37. **Invited speaker**, Fort Bend County Policy Breakfast, *Stuck in the Middle: Programs and Policies to Improve Student Fitness*, Fort Bend, County, TX, 2011.
38. **Invited speaker**, Johns Hopkins University and Johnson & Johnson Foundation, Obesity Prevention, Bethesda, MD 2010.
39. **Invited speaker**, Johns Hopkins University and Johnson & Johnson Foundation, CATCH, Bethesda, MD 2010.
40. **Invited speaker**, National Journalist Association, Experts in The Media, Chicago II, 2010.
41. **Invited speaker**, National State Board of Education, A Model for Obesity Prevention, Washington DC, 2009.
42. **Invited speaker**, Capra Lectureship, Obesity Prevention in Texas, Dallas, TX, 2009.
43. **Invited speaker**, McGill Health Challenge Think Tank, Youth Obesity Prevention, Montreal, 2008.
44. **Invited speaker**, Robert Wood Johnson, Physical Activity and academic achievement, 2008.
45. **Invited speaker**, Society for Prevention Research, Dissemination of evidence-based health interventions, Denver, CO, 2008.
46. **Invited speaker**, Kelsey-Seybold 8th Annual Health Services & Outcomes Research Conference, Childhood Obesity in Texas: Size of the Problem and Solutions, Fall 2007.
47. **Committee member**, Health Challenge Think Tank, International Steering and Action Committee, 2007.
48. **Invited speaker**, Texas Heart Disease and Stroke Prevention System 2007 Fall Partnership Meeting, Austin, TX, 2007.
49. **Invited panelist**, Lifting Teen Families: Strengthening Programs for Pregnant and Parenting Teens, Austin, TX, 2007.
50. **Invited speaker**, National Conference of State Legislators: The National Forum for Ideas, Up and Running —Texas Physical Activity Legislation and Its Effects, Boston MA, 2007.
51. **Invited speaker**, Southern Obesity Summit, Child and Youth Models, Little Rock, AK, 2007.
52. **Invited speaker**, UNC/CDC Public Health Grand Rounds, Healthy People in Every Stage of Life, Coordinated Approach to Child Health: From Research to Practice. Atlanta, GA, 2007.
[<http://www.publichealthgrandrounds.unc.edu/catch/index.htm>].
53. **Invited speaker**, Texas Chapter of the American College of Sports Medicine, Obesity Trends in Children and Youth – Solutions? Dallas TX, 2007.

54. **Invited speaker**, Knowledge Transfer Workshop, Obesity Prevention: Panel of Leaders. McGill Health Challenge Think Tank, McGill University, Montreal, QC, 2007.
55. **Kelder, SH**. Epidemiology of Physical Activity. HEADS UP Teachers Summer Science Institute; 2007, 2008, 2009).
56. **Kelder, SH**. Texas Legislation on Physical Activity and Nutrition. Brownsville Independent School District, 2007.
57. Invited speaker, **Council of State Governments (CSG), at the Health Policy Forum for State Legislators and State Policymakers: Policies to Promote Healthy Lifestyles: Childhood and Beyond, 2006**.
58. **Invited speaker** for UT Chancellors Luncheon, 2006.
59. **Kelder SH**. Translation of an Effective School Health Promotion Program: The Texas CATCH Experience. National Prevention Summit: Prevention, Preparedness, and Promotion, Washington DC, 2006.
60. **Kelder SH**. Improving Physical Activity Among Children: The Texas CATCH Experience. The Council of State Governments, Memphis TN, August 2006.
61. **UTHSC President's Executive Luncheon**. Invited lunch speaker "Healthy Habits for the Next Generation," 2005.
62. **Kelder SH**. Effective healthy eating and physical activity school health program. Invited keynote speaker, Nordic Conference on Cancer and Health. Copenhagen, November 2004.
63. **Kelder SH**. Physical activity and children. Invited keynote speaker at 2nd Congreso Internacional de "Actividad Fisica Y Docencia" Chihuahua, Mexico: September 2004.
64. **Kelder SH**. Measurement of Physical Activity 44th Invited keynote speaker at 2nd Congreso Internacional de "Actividad Fisica Y Docencia" Chihuahua, Mexico: September, 2004
65. **Kelder SH**. Effects and Dissemination of the CATCH Program. Invited Speaker Cooper Institute, Dallas TX, October 2004.
66. **Kelder SH**. Dissemination of CATCH. Invited Speaker, School Health Education, Harvard MA, August 2004.
67. **Kelder SH**. The School Health Index and Texas Senate Bill 19 School Health Advisory Requirement. Invited speaker, ALLWELL conference, Navasota TX, July 2004.
68. **Kelder SH**. Dissemination of the CATCH Program in Texas. Invited Guest Colloquium Speaker, Center for Health Promotion, University of Vermont, Burlington, VT, September 16, 2002.
69. **Kelder SH**. Changing Adolescent Food Habits: Developing, Evaluating and Disseminating Effective Nutrition Education Programs. Invited speaker at the First Research Seminar on Adolescent Nutrition and Health: Interventions that Work. The Institute for Nutrition Research, University of Oslo, August 27, 2002.
70. **Kelder SH**. Dissemination of CATCH in Texas elementary schools. Invited speaker at 1st annual CDC Cardiovascular Disease Prevention August 2001.
71. **Kelder SH, Hoelscher**. Dissemination of CATCH. Invited speaker at the 1st National CDC Conference on Heart Disease and Stroke. Atlanta, GA, August 2001.
72. **Kelder SH**. Ethnic-specific effects of CATCH program. Invited speaker to the Texas Department of Health Minority Advisory Council, 2001.
73. **Kelder SH, Hoelscher DM**. Physical activity and children. Invited speaker at 44th Actividad Fisica Education y Salud. Chihuahua, Mexico: April, 2001.
74. **Kelder SH, Hoelscher DM**. Dissemination of CATCH in Texas elementary schools. Invited speaker at 44th Actividad Fisica Education y Salud. Chihuahua, Mexico: April, 2001.

SYMPOSIA PROCEEDINGS (selected)

1. Bluestein M, **Kelder SH**, Perry CL, Perez A. Exploring associations between the use of alcohol and marijuana with e-cigarettes in a nationally representative sample of young adults. American Association for the Advancement of Science Annual Meeting, Austin, TX, February 15, 2018.
2. **Kelder SH**, Perry CL, Harrell MB, Loukas A. Texas TCORS on youth and young adults. American Public Health Association Annual Meeting and Expo, Atlanta, November 4, 2017.
3. **Kelder SH**. Building a youth e-cigarette prevention community of excellence in Central Texas. American Public Health Association Annual Meeting and Expo, Atlanta, November 4, 2017.
4. Salahuddin M, Perez A, Ranjit N, **Kelder SH**, Butte NF, Hoelscher DM, Winter S. Exploring the predictors of childhood severe obesity in low-income, ethnically diverse children in the TX CORD study. Poster presentation at the International Society for Behavioral Nutrition and Physical Activity Annual Meeting (ISBNPA), Victoria, BC, Canada, June 8, 2017.
5. **Kelder SH**, Creamer MR, Harrell MB, Perry CL. NCO: Findings from the U.S. Surgeon General: e-cigarette use among youth and young adults. 2017 National Conference on Tobacco or Health, Austin, TX, March 22, 2017.

6. Mantey D, **Kelder SH**, Loukas A, Harrell MB, Prokhorov A, Perry CL. Symptoms of nicotine dependence among youth and young adult e-cigarette, cigarette, and dual users. 2017 National Conference on Tobacco or Health, Austin, TX, March 22, 2017.
7. **Kelder SH**, Wang T, Rath J. CATCH My Breath Program. 2017 National Conference on Tobacco or Health, Austin, TX, March 22, 2017.
8. Creamer MR, Harrell MB, **Kelder SH**. E-cigarette use among youth and young adults: Findings from the U.S. Surgeon General's Report. Oral presentation at Society for Research on Nicotine and Tobacco 23rd Annual Meeting, Florence, Italy, March 3, 2017.
9. **Kelder SH**, Mantey D, Loukas A, Harrell MB, Prokhorov A, Perry CL. Symptoms of nicotine dependence among youth and young adult e-cigarette, cigarette, and dual users. Poster presentation at Society for Research on Nicotine and Tobacco 23rd Annual Meeting, Florence, Italy, March 3, 2017.
10. Chuang RJ, Sharma SV, Byrd-Williams C, Vandewater AE, **Kelder SH**, Butte NF, Hoelscher DM. Does implementing the CATCH Early Childhood program help increase communications between teacher, parent and child around healthy eating and physical activity? The TX CORD Study. Poster presentation at American Public Health Association Annual Meeting, Denver, CO, November 1, 2016.
11. **Kelder SH**, Ballard B. Social media and strategic communications for researchers and institutions. Oral presentation at the International Society for Behavioral Nutrition and Physical Activity Annual Meeting (ISBNPA), Cape Town, South Africa, June 8, 2016.
12. Hebert E, Case K, **Kelder SH**, Perry CL, Harrell MB. Exposure and engagement with tobacco and e-cigarette-related social media among Texas adolescents. Oral presentation at Society for Research on Nicotine and Tobacco 22nd Annual Meeting, Chicago, March 3, 2016.
13. Mantey D, Case K, Crook B, **Kelder SH**, Harrell MB. First Experiences of Tobacco Product Use Among Texas Youth. Oral presentation at Society for Research on Nicotine and Tobacco 22nd Annual Meeting, Chicago, March 3, 2016.
14. Huang T, Vandewater EA, Iyyer S, **Kelder SH**, Butte NF, Hoelscher DM. Initial evaluation of systems capacity, integration and sustainability of the Texas Child Obesity Research Demonstration Study. Poster presentation at The Obesity Society's Annual Scientific Meeting, Los Angeles, CA, November 3, 2015.
15. Byrd-Williams C, Sharma SV, Vandewater EA, **Kelder SH**, Chuang RJ, Butte NF, Hoelscher DM. Head Start teachers' perceptions of barriers to promoting energy balance behaviors in the early care and education (ECE) setting. Poster presentation at The Obesity Society's Annual Scientific Meeting, Los Angeles, CA, November 3, 2015.
16. Sharma SV, Chuang RJ, Byrd-Williams C, Vandewater EA, **Kelder SH**, Butte NF, Hoelscher DM. Evaluation of the CATCH Early Childhood program for obesity prevention among preschoolers in Texas: The TX CORD Study. Oral presentation at The Obesity Society's Annual Scientific Meeting, Los Angeles, CA, November 3, 2015.
17. Cooper M, **Kelder SH**. Racial and ethnic disparities in frequency of cigar smoking among US high school students. Oral presentation at Society for Nicotine and Tobacco Research 21st Annual Meeting, Philadelphia, PA, February 1, 2015.
18. Kitzman-Ulrich H, Springer AE, Chow S, Evans AE, **Kelder SH**, Ranjit N, Atteberry H, Li L, Pollei C, Wilczak B. Promoting Parent Involvement in School-Based Physical Activity and Nutrition Programs. Oral presentation at the APHA 142nd Annual Meeting & Expo, New Orleans, LA, November 17, 2014.
19. Hoelscher DM, Butte N, Barlow S, Vandewater E, Sharma S, **Kelder S**, Pont S, Byrd-Williams C, Huang T, Finkelstein E. Childhood Obesity and Related Behaviors are High among Underserved, Minority Communities in Texas. Poster presentation at Obesity Week, Boston, MA, November 2-7, 2014.
20. Oluyomi A, Byars A, Durand C, Byrd-Williams CE, Sharma S, Hoelscher D, Butte N, **Kelder S**. A Geographical Information Science (GIS) approach to conducting area-level comparative analysis of study areas in a community-wide obesity prevention intervention study – The case of Texas CORD. Poster presented at the International Society for Behavioral Nutrition and Physical Activity Annual Meeting (ISBNPA). San Diego, CA, May 22, 2014.
21. Drenner K, **Kelder SH**, Springer AE, Shegog R, Barroso C, Agurcia-Parker C, Hoelscher DM. Feasibility of a telephone brief motivational enhancement intervention to reduce TV time aimed at parents of low income, Texas Rio Grande Valley 4th graders. Poster presented at the International Society for Behavioral Nutrition and Physical Activity Annual Meeting (ISBNPA), San Diego, CA, May 22, 2014.
22. Hoelscher DM, Butte N, Barlow S, **Kelder S**, Sharma S, Vandewater E, Pont S, Huang T. Texas CORD: Embedding secondary prevention efforts into primary prevention for childhood obesity prevention and management. Symposium presented at the International Society for Behavioral Nutrition and Physical Activity Annual Meeting (ISBNPA), San Diego, CA, May 22, 2014.

23. Oluyomi A, Durand C, Hashemi M, Vandewater E, **Kelder S**, Butte N, Hoelscher DM. Relationship between school food environment and children's dietary behaviors: Building on the Texas CORD Project. Poster presented at the International Society for Behavioral Nutrition and Physical Activity Annual Meeting (ISBNPA), San Diego, CA, May 22, 2014.
24. Linlin L, **Kelder S**, Perez A, Ranjit N, Hoelscher DM. The prevalence of childhood severe obesity in Texas: The Texas School Physical Activity and Nutrition (SPAN) study. Poster presented at the International Society for Behavioral Nutrition and Physical Activity Annual Meeting (ISBNPA), San Diego, CA, May 22, 2014.
25. Perry C, **Kelder SH**, Hoelscher DM, Springer A. Theory and Methods of CATCH: A 25-Year Retrospective. Symposia presentation at the 2012 Annual Meeting of the International Society for Behavioral Nutrition and Physical Activity (ISBNPA). Austin, TX, May 2012.
26. Hoelscher DM, **Kelder SH**, Perry C, Springer A. Key results from 25 years of CATCH research. Symposia presentation at the 2012 Annual Meeting of the International Society for Behavioral Nutrition and Physical Activity (ISBNPA). Austin, TX, May 2012.
27. **Kelder SH**, Hoelscher DM, Perry C, Springer A. Putting Research into Practice: Dissemination and Methods of CATCH. Symposia presentation at the 2012 Annual Meeting of the International Society for Behavioral Nutrition and Physical Activity (ISBNPA). Austin, TX, May 2012.
28. **Kelder SH**, Nichols D, Hoelscher DM, Lytle L, Klepp K. Creating and Advocacy Strategy for ISBNPA. Open panel presentation at the 2012 Annual Meeting of the International Society for Behavioral Nutrition and Physical Activity (ISBNPA). Austin, TX, May 2012.
29. Springer A, Delk J, Ranjit N, Li L, **Kelder S**, Hoelscher DM. The effects of at home healthy food availability and parental encouragement on fruit and vegetable consumption among multi-ethnic eighth grade students in central Texas. Poster presentation at the 2012 Annual Meeting of the International Society for Behavioral Nutrition and Physical Activity (ISBNPA). Austin, Texas, May 2012.
30. Weiss S, Springer A, **Kelder S**, Delk J, Hoelscher DM. Assessing middle school students' nutrient intake variance based on availability of a la carte offerings at lunch. Poster presentation at the 2012 Annual Meeting of the International Society for Behavioral Nutrition and Physical Activity (ISBNPA). Austin, Texas, May 2012.
31. **Kelder SH**, Springer A, Byrd-Williams C, Ballard B, Menendez T, Hoelscher D. Increasing Physical Activity at School. A Pilot Test of the CATCH Middle School "get ur 60" Open Gym Program. Presented at the International Society of Behavioral Nutrition and Physical Activity (ISBNPA) 2011 Annual Conference. (Oral presentation, June 2011.)
32. Pasch KE, Lin L, **Kelder S**, Springer A. The Effects of Energy Drink Consumption Among Ethnically-Diverse Eighth Graders. Society for Prevention Research 19th Annual Meeting, 2011.
33. **Kelder S** and Hoelscher DM. CATCH An Evidence Based Intervention. Presented at the Cal Poly Campus Health Symposium Nurturing Healthy Children and Healthy Families: It's Complicated, San Luis Obispo, California, October 22, 2010.
34. Springer AE, **Kelder SH**, Ranjit N, Hochberg-Garrett H. Promoting physical activity through positive social reinforcement and goal-setting: the effects of Marathon Kids on low-income elementary school students in Texas. International Society of Behavioral Nutrition and Physical Activity (ISBNPA) 2010 Annual Conference. (Oral presentation, June 2010).
35. Mirchandani GG, Springer A, Castrucci BC, Lewis K, **Kelder S**, Hoelscher D. Racial/Ethnic Disparities in Prevalence of Childhood Obesity—Texas, 2004-2005. 2010 MCH EPI Conference. (Accepted as oral presentation for December, 2009).
36. Byrd-Williams C, Hoelscher D, Springer A, Ranjit N, Evans A, **Kelder S**. Dietary and eating behaviors associated with sugar-sweetened beverage (SSB) consumption among 8th grade students in schools with restricted access to vending machines. Presented at the International Society of Behavioral Nutrition and Physical Activity (ISBNPA) 2010 Annual Conference.
37. Pasch K, Springer A, Velazquez, **Kelder S**, Hoelscher D. Do families who eat together also encourage healthy eating? Presented at the International Society of Behavioral Nutrition and Physical Activity (ISBNPA) 2010 Annual Conference.
38. **Kelder SH** and Hoelscher DM. Everything's Bigger in Texas: CATCH Program Promotes Healthy Habits and Tackles Childhood Obesity in Texas Schools. Presented at the Third International Congress on Physical Activity and Public Health, Toronto, Canada, May 7, 2010.
39. **Springer AE**, Kelder SH, Barroso C, Drenner K, Shegog R, Hoelscher D. Parental influences on television watching among children living on the Texas-Mexico border. ISBNPA Annual Conference for June 2009.
40. Hoelscher DM, Springer AE, Ranjit N, Perry CL, Evans A, Stigler M, **Kelder SH**. Effects of Different Levels of Program Support on Child Overweight: The Dell CATCH Community Trial. Centers for Disease Control and Prevention's Division of Nutrition, Physical Activity, and Obesity Weight of the Nation Inaugural Conference, July 27-29, 2009.

41. Springer AE, **Kelder SH**, Barroso C, Drenner K, Shegog R, Hoelscher D. Parental influences on television watching among children living on the Texas-Mexico border. Presented at the 2009 Annual Meeting of the International Society for Behavioral Nutrition and Physical Activity, June 17-20, 2009.
42. Hochberg-Garrett H*, Murray NG, Cuccia M, Forys L, Springer AE, Hoelscher DM, **Kelder SH**. Implementation of an evidence-based coordinated school health program in a large urban county supported by a community coalition: Lessons from school district leaders. Abstract presented at the American Public Health Association Annual Conference (APHA), San Diego, CA, October 27, 2008.
43. Sharma S, Garza J, Hoelscher DM, **Kelder SH**, Murray NG. Relationship between junk food consumption and sedentary behaviors among elementary school children in Texas. Abstract presented at the Obesity Society Annual Scientific Meeting (NAASO), Phoenix, AZ, October 6, 2008.
44. Hoelscher D, Springer A, Perry C, Evans A, **Kelder S**. Implementation and baseline results from a school- and community-based obesity prevention program for elementary school children: the Dell CATCH Project. Abstract presented at the International Society for Behavioral Nutrition and Physical Activity, Banff, Alberta, Canada, May 23, 2008.
45. Cunningham S, Hoelscher D.M., Herbold J.R., Farokhi M., Cano S.M., **Kelder SH**, Maternal Nutrition and Oral Health Psychosocial Factors in Early Childhood Caries, Journal of the American Dietetic Association Volume 108, Issue 9, Supplement 1, , ADA 2008 Food & Nutrition Conference & Expo, ADA 2008 Food & Nutrition Conference & Expo, September 2008, Page A113.
