Robert C. Addy
Robert.C.Addy@uth.tmc.edu

Education

B.I.E. Industrial Engineering, Auburn University, 1991

M.A. Psychology, University of Houston, 1998

Thesis Title: Modeling Decisional Balance in Three Behavior Domains

Ph.D. Behavioral Sciences, University of Texas School of Public Health, 2010

Dissertation Title: Investigating the Structure and Form of Condom Decisional Balance in an Alternative School Sample Using Confirmatory Factor Analysis

Honors

Member, Delta Omega, Honorary Society in Public Health

Work Experience

Faculty Associate (2010 – Present)
Data Management Analyst (October, 2008 – 2010)
Research Associate (February, 2004 – October, 2008)
Senior Research Assistant (January, 1999 – February, 2004)
University of Texas – Health Science Center at Houston School of Public Health
Public Health Research Experience

- Responsible for data management, analyses, and presentation using a variety of software programs, including SAS, SPSS, STATA, Qualtrics, and Power BI, as well as proprietary software
- Install, maintain, and troubleshoot hardware and software
- Train and assist in the supervision of staff for data collections
- Supervise assistants for data analyses and presentations
- Act as statistical and technology resource for staff
- Served on multi-site committees
- Assist in development of interventions
- Assist in development and implementation of evaluation programs
- Serve on a team of external evaluators of a state-wide mental health initiative

Co-teach graduate course in program evaluation

- Assist in the development and refinement of lecture and assignment material
- Present information to class; address student questions and concerns
- Evaluate students
- Web-based and hybrid web-base/in-person lecture formats

Previous Projects: Teen Health 2000, projects for Technology Assessment

Graduate Research & Teaching Assistant (September, 1991 – December, 1998)
Department of Psychology

University of Houston

- Responsible for data management, analyses, and presentation
- Maintained, installed, and troubleshot hardware and software
- Taught, graded, and evaluated students in Psychological Methods course (2 semesters), Introductory Industrial/Organizational Psychology (1 summer semester), and Introductory Graduate Statistics Class and Lab (4 semesters)

Intern (Co-Operative Education) (1988 - 1990: four 3.5 month terms)
National Support Center
IBM Corporation

- Provided marketing and technical support for the PC/XT/AT and PS2 25/30 lines of computers

Intern (Co-Operative Education) (1988: one 3.5 month term)
National Distribution Division
IBM Corporation

- Assisted in the development of computer-based dealer education program
