

Master's Thesis Proposal Completion Form

The document is used to certify the completion of a MPH or MS master's proposal.

Name: _____ Student ID: _____

Thesis Title: _____

Note: The written proposal must include a copy of this signed form and be approved by the SPH Office of Student Research. Students must collect approvals from all committee members as documented on the student's [Master's Thesis Committee Membership Form](#). Students who wish to make updates to a previously established committee can do so by submitting a new [Master's Thesis Committee Membership Form](#) with the appropriate actions for changes.

The following approvals signify successful completion of the student's thesis proposal.
