

Policy Number: 303

Subject/Title: Epidemiology Course Requirement

Effective Date: Fall 2011

Policy Statement: All UTHealth School of Public Health students entering Fall 2011 and thereafter must successfully complete at least one (1) three-credit hour graduate level Epidemiology course (2600-2998) as part of their degree program, either as a required course or a leveling course. This is a graduation requirement for all degree-seeking programs.

Reason for Policy: Students should have an understanding of Epidemiology.

Definitions: N/A

Scope and Audience: All UTHealth School of Public Health students entering in Fall 2011 and thereafter.

Responsibilities and Procedures: Students should be responsible for successfully completing at least one (1) three-credit hour graduate level Epidemiology course as part of their degree program.
